PRIVATE RESORT BUYOUT · CORPORATE RETREATS

CORPORATE RETREAT PROPOSAL

The Whole Resort, Your Team Only.

Prepared for **Krithika & Company**
Jacó Beach, Costa Rica

May 2–8, 2027 · 6 Nights / 7 Days · 35 Guests

A private 30-bedroom beachfront resort

01 · THE CONCEPT

An Entire Resort, Exclusively Yours

Imagine your whole team landing at a private beachfront resort in Jacó — and having the **entire property to themselves.** No other guests, no sharing the pool, no crowded restaurant. Just your people, the ocean, and a fully staffed resort built around your week.

For Krithika & Company, we're offering a full buyout of our **30-bedroom private resort** for all **35 guests** — May 2–8, 2027. The restaurant, the tiki bar, the pool, the beach and the staff are yours and yours alone. It's the rare retreat where the venue disappears into the background and the team is all that's left.

Looking back at your private resort from the beach — the whole property is yours for the week.

02 · THE VENUE

Your Private 30-Bedroom Resort

And when it's time to work, the **restaurant converts into your private conference room** — a real meeting space for sessions, presentations and team workshops, then back to a dining room for the evening. Everything your retreat needs, under one roof, with nobody else around.
